Professional Development

My eCoach is both a customized personal and professional development service and an online community. My eCoach provides exemplary coaching, mentoring and training so individuals and organizations can realize their specific goals and shared visions. The expertise that the My eCoach coaching team brings allows coaching to happen through both online and face-to-face facilitation. Our program can be customized and catered to your needs. We can:

- ✿ come to you or you come to us for customized training for the coaches
- ✿ develop a strategy to implement a training/coaching/mentoring program
- ✿ help you and your staff to become trainers/coaches/mentors

We are here to help you reach your goals. Our team can individualize the program or cater it to working towards a shared vision. We offer our coaching, mentoring and training on the My eCoach system along with other platforms. Furthermore, our coaching programs are cost-effective, sustainable, and align with the requirements of The American Recovery and Reinvestment Act of 2009 (ARRA). For more information about how we can help you, please call us at 800.633.2248.
