To Whom It May Concern,

I am applying for the Child Care Assistant position you have listed in your flyer.

I believe I am a qualified candidate for this occupation. I have experience working with children of all ages and have baby-sat in the past. I am capable of preparing meals and cleaning up after young children. I am also a very responsible and patient person.

Thank you for your consideration. I can be reached by phone anytime during the week and am available to interview weekdays after 3:15. Thank you for your time.

Sincerely,

A handwritten signature in cursive script that reads "Sara Peterson".
