## Journal Prompts

### **Section 1**

You are at home sleeping peacefully when suddenly someone rips you from out of your cozy, warm bed and drags you into an airplane, ties you up and flies you across the world. You have no idea where you are going or what is happening. Describe your feelings. What would you be thinking? How would you react?

### **Section 2**

Write about an incident in which you or someone you know took a stand against an injustice. Write what happened and explore how the incident made you feel and why you remember it.

### **Section 3**

Think about an accomplishment in your life. How did you achieve whatever you were trying to accomplish? What steps did you take along the way and how did you feel after the achievement? (Example: winning an award, trying out for a sports team, getting an A on a test).

### **Section 4**

Do you believe segregation and racism still exists in our society today? Provide evidence or examples to support your answer.

### **Section 5**
